A HISTORY OF SERVICE TO OUR COUNTRY

Commander Everett Alvarez, Jr. (Ret)

Alvarez celebrated 10 years of service in 2014.

Over a decade of business, serving the Federal government is an astounding achievement, especially in the fast-paced information technology space. We are a leader in the number of contracts delivered to our clients over the last decade – currently ranked #1 in SEWP V contract to date and GFY16.

Our founder Everett Alvarez, Jr. was the first pilot shot down over North Vietnam and was held as a POW for eight and a half years. His character sustained him through his long detainment; this determination is evident throughout his distinguished career and is a cornerstone of the company.

Our team is empowered to help clients achieve their mission, by delivering high-impact technology solutions, while displaying the highest level of professionalism and integrity. A leader in the Service-Disabled Veteran-Owned Small Business group, Alvarez serves federal agencies and their missions by providing IT solutions quickly and easily.
